
Nuclear option

Posted by zainab - 2007/11/19 15:58

Nuclear technology is the best option despite the social distrust,we need a nuclear renaissance in educating the public;there is an urgent need to re-evaluate the role of nuclear power in maintaining adequate stable and economic energy supplies in future.Nuclear scientist needs to be open and transparent in order to increase the credibility of the nuclear community and to improve the public acceptance of nuclear power and to challenge the public perception of nuclear technology.
